Valid for products manufactured from signature date until new revision released

We declare under sole responsibility that the above listed product series confirm with the directives/standards listed

EU Directive	2014/30/EU (EMC-Directive)
Harmonized European standards	EN 55015:2019 + A11:2020 EMC emission requirements for electrical lighting and similar equipment EN 61547:2009 Equipment for general lighting purposes – EMC immunity requirements
EU Directive	2014/35/EU (Low Voltage Directive)
Harmonized European standards	EN 60598-1:2015+A1:2018 Luminaires Part 1: General requirements and tests EN 62471:2008 Photobiological safety of lamps and lamp systems EN 60529:1991 + A1:2000 + A2:2013 Degrees of protection provided by enclosures (IP Code)
EU Directive	2011/65/EU Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment

Additional Standards:
The products are in accordance with the following additional Standards *):

EN 14744:2005 incl. AC:2006
EN 60945 (2002) incl. IEC 60945 Corr. 1 (2008)
Regulation SOLAS 74, IMO resolutions and circulars:
Regulation COLREG 72, Annex 1/14, IMO Resolution A.694(17)
additional: IMO Resolution MSC.253(83)

*) with the following exceptions (possibly reasons):

Not type approved product, because:

- different range of visibility (luminous range) in nautical miles (nm) (example: Masthead light 70 red (3nm) instead of Masthead light 70 white (6nm))
- Different all-round light with angular sector (example: 178° instead of 360°)

Place, Date

Dobczyce, 09.10.2023
