PRO LINE DOUBLE TAPERED OPTIMIST MAINSHEET (EX1379P)

The combination of Black Technora, Cordura, Dyneema and Polyester creates the most advanced Optimist mainsheet for the best performance and grip. The mainsheet has extremely good wear resistance characteristics, has a total length of 7.6 meter and is double tapered from 9 to 6.5 mm. The tapered cover construction is continuous, without joints. The tapered ends run smoothly through your blocks with less friction.
